## ABOUT ME

Friendly person, respectful with pleasure to take a friendship if possible. I grew up in the United States from my preschool, I speak the English natively, I have a technical career in accounting, I work to have my own money. I really like sports, I am a reliable person who knows how to value a favor or a person that's honest with me. I like to draw, listen to music, read, I do sport or just go out to distract my self when I have my free time. I am an active person, with initiative and desire to learn new things. I like to keep everything organized, I take care of what I have, I am clean and honest person.
